

AIR HANDLING EQUIPMENT INC.

Signature
-GUARANTEE-

Our team at Air Handling strives to provide quality service, quality support, and quality equipment. All used equipment that is backed by our “Signature Guarantee”, has been serviced and tested by our certified technicians. Our “Signature Guarantee” ensures confidence that the customer is getting a quality, trustworthy unit, free of operational defect.

30-day right to return policy: Air Handling Equipment aims toward 100% customer satisfaction. In that effort, we will honor a full refund within 30 days, if the equipment does not meet your quality expectations. The unit may be returned to Air Handling Equipment at the buyer’s expense. Upon inspection of the unit, Air Handling will provide full refund of the purchase price of the unit, or a suitable parts replacement. This policy does NOT apply to the following:

- 1) When there is damage caused by improper handling, shipping, or installation.
- 2) Damage caused by power surge, or improper voltage sizing.
- 3) Cosmetic damage due to negligent transport, handling, or installation that has not negatively affected the operation of the machine.
- 4) Any damage due to equipment modification by end user.

All shipping is FOB Sidney, OH and may be scheduled by AHE or customer. Units to be palletized, shrink wrapped, and marked “Handle With Care”. Any further crating and packaging can be done for a fee, at the buyer’s request. Shipping insurance may be added at the expense and request of the buyer.
